

# Construction: Week of 2/4/19

## Construction Activity – two week look ahead

- **Locations & Type of Construction Activity:**
  - Grind and pave operations
  - Traffic control. This traffic control will restrict the entire corridor to one lane only with extremely limited parking due to the paving and related trucking operations.
  - Paving work will begin on Broadway near the 710, heading east, & on 3rd Street near Alamitos, heading west.
- **Construction Hours: 7:00 am to 4:00 PM**
- **Impacts:**
  - Lane restrictions (sometimes only 1 lane) throughout the length of the project. Parking will be available in the coned areas where construction is not occurring. This will not be advertised. Parking is allowed overnight however, vehicles **must clear out by 7:00AM**
  - The bike lane is **closed**
  - Pedestrian access is 100% and detours are provided (w/ flagman in some cases) where construction activities necessitate a closure of the sidewalk.
  - Temporary Bus stops are in operation.
- **The Contractor is currently trying to complete striping by end of February.**

To learn more about the project visit [DowntownLongBeach.org/construction](http://DowntownLongBeach.org/construction). For questions and concerns call the City of Long Beach Public Works hotline (562) 463-4465.
