Long Beach Heritage’s 32nd Annual Preservation Awards

Since 1988, Long Beach Heritage’s annual Preservation Awards have honored the people and places that contribute to our city’s unique character. Don’t miss this year’s celebration, March 19 at the Queen Mary, hosted by the Ambassador of Americana, Charles Phoenix!

Join us as we raise a glass to toast a new brewery in a former auto shop. Hear directly from homeowners, architects, and artisans how they brought new life to some of our city’s oldest treasures. And network with a who’s who of Long Beach business and community leaders from real estate, community development, preservation, and more. Click here to learn about this year’s Preservation Award winners!

City of Long Beach 2020 Census Champions Training

Join the City of Long Beach in getting everyone counted and become a 2020 Census Champion TODAY!
What is a Census Champion?
A Census Champion is a trusted and dedicated volunteer who will encourage fellow residents to complete the census. In this training, you’ll learn the:

What: Census basics and key dates

Why: The importance of ensuring a complete count of all residents

How: You’ll be provided a Census-In-A-Box with FREE promotional materials and talking points to encourage your community to complete the 2020 Census.

Additionally:

– Light refreshments will be provided
– Translation services will be provided for each event in Spanish, Tagalog, and Khmer.

Location & Times:

Billie Jean King Main Library, 200 W. Broadway, Long Beach, CA 90802

Tuesday March 17, 2020 from 5:30 PM – 6:30 PM
Wednesday March 18, 2020 from 6:00 PM – 7:00 PM
Thursday March 19, 2020 from 6:00 PM – 7:00 PM

Transportation:

A majority of Long Beach Transit buses stop near this location including the Passport Shuttle. The Metro Blue Line is also nearby.
Street Parking is available.

Did you know that the census happens every 10 years? Every person that is counted brings federal funding to our community and fair representation at the local, state, and federal
levels. A complete count helps Long Beach provide services such as:

Access to affordable housing
Access to health care
Quality schools
Reliable public transportation
Safe roads
Opportunities for small and local businesses
