

Long Beach Virtual Economic Forum

The Quarterly Economic Forum is a partnership between CSULB's Department of Economics, the Long Beach Economic Partnership, and the Downtown Long Beach Alliance. This forum will bring together City leaders, industry experts, and the region's leading economist to discuss the economic impact of COVID-19 and what to expect out of recovery.

Please virtually join us on **Thursday, August 20, from 10:00 AM -12:00 PM** for an informative discussion. The forum is a free event, but registration is required and can be done via the link below.
