

Weekend Wonders

On the second Saturday of every month from 10am-4pm, Tallship American Pride in partnership with the Port of Long Beach will host- Weekend Wonders- an educational program for all learners. Explore the deck of a historic sailing ship while learning from crew onboard.

We will be curious, ask questions, and explore topics in biology, STEM, and maritime history and have some fun with traditional maritime arts! Make new friends, listen to the sound of the sea, explore a large wooden sailing ship, and learn how YOU can take action to protect marine communities.

Masks required.
