From the **TERRACE THEATER PLAZA**, walk east along Ocean Boulevard in **1 VICTORY PARK** to view the **AQUA TOWER** [Andrew Leicester] & **DREAM OF SIMULTANEOUS CONNECTIONS** [Ned Smyth] art installations. Turn north towards **2 FIRST STREET** for the bohemian café and boutique experience as well as a half dozen mosaic tile pieces, among them **PASSING TIME** [Kerry Zanders] and **TOY CAR PILEUP** [Tom Barter]. On Elm Avenue is the **3 EAST VILLAGE ART PARK** [Steve Elicker], an intimate pocket park tucked away from the bustle, filled with artistically crafted benches, fences & stage. Along Broadway, art pieces are integrated into building facades & streetscape including **MYSTIC TIDES** [Dean Alexander Smith], Kulture Komet [Patrick Mohr] and **HISTORY OF LONG BEACH** [Roberto Delgado]. North on Alamitos Avenue are the local cultural landmarks **PALACE LOFTS** and **ST ANTHONY SCHOOL & PARISH**. At 7th Street, the **4 MUSEUM OF LATIN AMERICAN ART** and **PACIFIC ISLAND ETHNIC ART MUSEUM** together create one of the most significant cultural nodes in the region while anchoring the northeast corner of the District. On 7th Street are neighborhood creative generators **MUNSON LOFTS**, **JET STUDIOS** and **ARMORY LOFTS**. Bear south along Olive Avenue turning right onto 4th Street until reaching the creative node at 4th Street and Elm Avenue, where local businesses and organizations **LYONS ART SUPPLY**, **DEPOT FOR CREATIVE REUSE** and **ARTS COUNCIL FOR LONG BEACH** encourage community participation & appreciation of culture. At 3rd Street is the **5 ARTEXCHANGE**, an innovative visual arts center including studios, galleries and arts programming and events. Complete the loop by heading south on Long Beach Boulevard until reaching the fountains of the plaza.
