- I don't feel there has been much of a difference in outcomes between the Blue Shirt team vs. the Red Shirt team.
- Presence is everything
- Every bit helps but we still have a problem with encampments and loitering
- I haven't experienced working with them yet but I do see them patrolling from time to time.
- There have been many incidents of theft and loitering homeless individuals entering my business and refusing to leave, as well as camping out in front of my business.
- I haven't seen any yet!
- Na
- I feel that we still have some people loitering. Once man in particular who frequently sleeps in front of the vacant store front on 1st Street (Formerly Seams). He has stolen from some of the businesses and was seen smoking crack in front of the empty storefront.
- We havent' seen them and there's still a lot of crazy transients in the area.
- Haven't seen them so not sure
