Alan Burks – DPIA West Gateway

FY20-21 Placemaking Chair

FY21-22 Placemaking Vice-Chair

2 years on Executive Committee

5 years on Board

Bio:

I am celebrating 30 years of producing inspired design from our studio in Downtown Long Beach. As architect of record for most of DTLB's office buildings I am familiar with the Owners and Tenants. These next few years are critical for DTLB. Recovery to the new normal will take creative solutions to reimagine the downtown and recreate a community.
