## **Board Eligibility Form : Entry # 21850**

### **What would you like to achieve as a director?**

For seven years, I served on the Downtown Long Beach Associates Board of Directors, the final two as Chairman. I successfully led the organization through the passage of the "Downtown Plan" and the balloted renewal of the district. The "Downtown Plan" upgraded building standards for all of Downtown Long Beach in the first comprehensive overhaul of the building codes in over three decades.

I would like to offer two decades of institutional knowledge to help support Board activities to restore Downtown Long Beach's vibrancy, public safety and vitality.
