

Mike McCrossin, BBB Assistant Program Manager

Mike McCrossin is the Assistant Program Manager for Block by Block. His journey with Block by Block began after finishing an MHA program and starting with the company in Special Projects, then becoming an ATLV Operator before bringing the Pressure Washing Program to the company and managing it for the last 3 years. Mike's background includes 15 years of experience engraving, designing, and installing headstones. When he started with Block by Block, he moved to Downtown Long Beach where he has spent the last 5 years enjoying the Downtown scene and the occasional movie in his free time.
