Have you served on the Board of Directors in the past?

No

What DLBA Committees would you be interested in serving on?

- Marketing and Communications
- Special Events and Development

What would you like to achieve as a director?

I have extensive experience in creating digital marketing media / campaigns / strategic communications campaigns for brands and government organizations. I would like to serve the Downtown Long Beach community by helping to create an opportunity to attract tech and media entrepreneurship to the Downtown Long Beach area much like the Santa Fe arts district. This would be via strategic content creation in accordance with outreach messaging, in addition to event experiences.
