17. Call Adam Carrillo, Economic Development Manager at (562) 480-2232 to verify business application eligibility.

### **Criteria to Receive Grant Funds**

- Up to \$20,000 of DLBA grant funds (includes potential DPIA BID assessment fee reimbursements) will reimburse legitimate start-up costs associated with opening or expanding the business. Requirement(s) to perform will be outlined within business plan and submitted May 12 for official review and consideration of potential award.
  - Start-up costs that are itemized and defined in the applicant's week 6 pitch will be subject to removal, editing, and approval by the award committee composed of members of DLBA's Economic Development Committee.
- Up to \$500 1<sup>st</sup> Year DPIA BID assessment fee reimbursement for each confirmed award recipient. Award recipient must provide receipt from City of Long Beach business license for DPIA BID assessment fee reimbursement.
- Up to \$20,000 in seed monies is required to fund the award(s). All required seed monies dedicated to awarded business(es) will be reimbursed via check within 30 business days of deposit into the Downtown Development Corporation 501(c)3 checking account. Those seed monies deposited will be reimbursed with your award check. For example, if you are awarded \$1,000, you must raise and deposit \$1,000. The DLBA will reimburse you with a check for \$2,000 within 30 days that all criteria to receive the grants are satisfied.
- All of the below must be part of the same business entity and included on the business banking account:
  - Business name/DBA on file with the City of Long Beach Business License
  - DUNS number
- The awarded business plan and applicant are responsible to raise up to grant amount awarded by PitchFest Panel of Judges made payable to "Downtown Development Corporation", a 501(c)3 organization. The awarded business is named in the donation and is required to be notated within the check's "Memo" line. Deadline to raise and deposit seed monies is 30 days after all criteria for participation is satisfied.
- What is the process or guidelines if Business ABC doesn't meet the match requirements?
  - Each awarded business entry that satisfies all criteria for participation and is officially awarded by the DLBA's Economic Development Committee will receive an award amount from the PitchFest Panel of Judges and must be matched in equal matching seed money prior to the award being funded by the DLBA.
  - Example: If Business A provides \$100 in matching funds, the DLBA Grant will provide \$100 in grant award monies available. If Business A does not meet the match requirements we do not match any funds against the award.
- If (Business TBD) is awarded and does not fulfill the criteria to receive grant funds by 90 days after or August 20 (whichever is later) the awarded grant money is dedicated back into the Economic Development Budget for use in the current fiscal year.

**DOWNTOWN  
LONG BEACH  
ALLIANCE**

- The DLBA reserves the right to change or update the criteria to receive grant funds at any time.

The DLBA intends to provide reasonable accommodations in accordance with the DLBA's Economic Development foci listed below as outlined in our DTLB Vision 2020: Strategic Plan:

- A1 Work with the City to streamline the business licensing, permitting and entitlement process
- A2 Track and evaluate economic and development trends Downtown
- A3 Promote Downtown housing developments and bring more residents Downtown
- A4 Support existing businesses and attract new businesses to Downtown Long Beach

#### About the Downtown Long Beach Alliance 501(c)6:

Downtown Long Beach Alliance (DLBA) is a non-profit organization that operates on behalf of tenants and commercial and residential property owners in Long Beach's Downtown and surrounding areas. It is dedicated to the management, marketing, security, maintenance, advocacy, economic and community development of its two assessment districts in cooperation with the City of Long Beach and the private sector. The Downtown Parking Improvement Area (DPIA) stretches from the waterfront north to 10th Street, and from Golden Avenue east to Alamitos Avenue and is assessed on business owners. The Property Based Improvement District (PBID) is assessed on property owners and incorporates areas surrounding the Downtown core. DLBA is governed by its bylaws and the PBID Management Plan, which was developed in 2012 as part of DLBA's renewal with the City of Long Beach

#### About the Downtown Development Corporation 501(c)3:

The Downtown Development Corporation (DDC) is an independent 501(c)3 non-profit organization that is closely affiliated with and managed by the Downtown Long Beach Alliance. As an independent corporation, the DDC has its own articles of incorporation and by-laws. The characteristics of the DDC board of directors include:

- Representation of specific areas of expertise, including finance, real estate law and development
- Downtown stakeholders, with representation of various geographic areas
- Representative of different stakeholder types, including property owners, businesses and residents
- Designated DLBA board liaison(s)
- Advisor representation by key civic agencies, including the City of Long Beach

#### Relationship to DLBA:

The DDC is closely affiliated with the DLBA in order to take advantage of cost, operating and leadership efficiencies. The DDC is viewed as complementing DLBA's existing array of services by adding development and finance expertise to the organization's strengths in the maintenance, marketing and management of downtown. DLBA can provide the DDC with immediate credibility, connections and administrative support. Most importantly, it is envisioned that the DDC and DLBA would work hand-in-hand to advance a unified vision and voice for downtown stakeholders. Upon formation, the DDC can contract with the DLBA for staff and administrative support. This arrangement provides the initial building block leading to a more sophisticated downtown organizational model that can best serve Long Beach.

#### Program Partners:

About the Institute for Innovation & Entrepreneurship at California State University Long Beach:

The Institute for Innovation & Entrepreneurship at CSULB provides programming and mentoring designed to unlock the creative energy of students, faculty, staff, and the community that engages stakeholders across campus and in the community focused on the common goal of innovation and entrepreneurship. The primary objective of the Institute is to leverage all this energy and entrepreneurial capital into a driving force for economic development for the greater Long Beach community. Creating economic opportunities will support long-term economic growth that is sustainable and improves the lives of all members of our community, the economy and the greater environment where we live.

Establishing the Institute brings the structure necessary to create something that transcends the positive outcomes of individual actions. Providing leadership to generate new programming and support existing programs that have organically evolved on campus and in the community will result in an exciting and dynamic culture of innovation and entrepreneurship for all of Long Beach!

About the City of Long Beach:

Starting a business in the picturesque city of Long Beach is a snap. The city is a hotbed for startup activity, education and ingenuity. Every city department and employee understands that promoting economic development in the city is a primary concern. Long Beach also boasts a low-cost business license tax rate structure with streamlined and improved city services. Your next business should be in a place that can tout a friendly community, ease of hiring skilled workers, and available training and networking for business owners at a profit. The City of Long Beach can offer it all; it's where your business should be open.

About Stone Law & Consulting, Ashleigh Stone, Esq.:

Based in downtown Long Beach, Stone Law & Consulting empowers small business owners to implement best business and employment practices in order to reduce the risk of costly legal problems down the road. Specializing in areas of business and employment law, Ashleigh Stone is passionate about protecting small businesses and employers through preventive law. Whether starting or growing a business, Stone Law & Consulting can help protect your investment and give you the peace of mind that your business is properly formed, built on well-drafted contracts, operating with an up-to-date employee handbook, and legally compliant.

#### **Award: (Overall Program Proposed Award Bucket \$20,000)**

- Up to \$20,000 of DLBA grant funds will reimburse legitimate start-up costs associated with opening or expanding the business. Requirement(s) to perform will be outlined within business plan and submitted May 12 for official review and consideration of potential award.
  - Start-up costs that are itemized and defined in the applicant's week 6 pitch will be subject to removal, editing, and approval by the award committee composed of members of DLBA's Economic Development Committee.

**DOWNTOWN  
LONG BEACH  
ALLIANCE**

  - Adam Carrillo, ED Manager Responsibilities: Schedule time for up to top 7 recommended business plans to meet at the next DLBA Committee meeting.
- All required criteria for participation must be met within 90 days of official award date. If the criteria for participation are not met within the 90 days of official award date the granted funds are repurposed into the Economic Development programming budget.
- Up to 7 business plans will receive final award notifications sent via email within 14 days of the final presentation to the DLBA ED Committee.
-

**DOWNTOWN  
LONG BEACH  
ALLIANCE**

- The DLBA reserves the right to change or update the award at any time.

**Measuring Success:**

- DLBA Annual report:
  - Reporting total grant monies awarded in FY
  - Reporting total # of jobs created as measured by considering filed business license employment counts and (if applicable) comparing renewed business license employment data the following fiscal year.
  - Reporting the amount of square footage leased from graduating existing and potential businesses including both office and ground floor retail space within DPIA boundaries.
  - Reporting how much seed money was raised by DDC in FY
  - Reporting number of new businesses the program created in FY by measuring number of program winners filed business licenses within DPIA and Citywide.
