What would you like to achieve as a director?

As a homeowner, I feel that the overall communication with the city and some areas is not as open as it should be. Long Beach is a wonderful place to live and visit. Unfortunately, there are some areas in which there is not a lot of pride within the city, in turn making it easier for more people to not care. I would like to help change this and help our city continue to grow.

Hi, I'm Vanessa, a current homeowner in the Wilmore District. In only the 2 short years since living in Long Beach, I have witnessed such great change and growth within the city. I have also first hand seen, what some residents contribute to the unfortunate challenges- loitering, litter, and many other issues.

Wimore is one of the most diverse groups withing Long Beach. Living here, I know first hand the struggles facing our city. I hope that my participation on the board can help close those gaps within the community and help build better relationships with residents.
